

We are in the Bel-Red Dental Building, first office on the right as you enter the double front doors. Our building is between 140th and 148th Avenues, on the North side of Bel Red Road, just uphill from the YMCA.

From SR 520, take the 148th Avenue exit and go South to Bel Red Road. You will pass by a Fred Meyers on your right, cross over NE 20th Street and turn right on the next street, Bel-Red. As you drive West on Bel-Red, you will pass a greenbelt; our office is the next driveway past those trees.

From I-90, take 148th Avenue North all the way to Bel Red Road and turn left. Our office is the first driveway to your right past the greenbelt on the North side of Bel-Red Road.

From 405, you can take 520 East and follow the directions above. If you choose to exit on NE 8th Street, drive East to 140th Avenue and turn left. The next major intersection is Bel-Red Road, turn right and drive uphill, looking carefully for our building on the left once you pass the YMCA.
